There is more to life than what you see on the surface. You may already sense this, perhaps through experiences in lucid dreaming, out-of-the body travel, seemingly impossible coincidences, or just a strong, unshakable feeling. You are not alone. Many people have similar experiences and want answers to their questions. In these interactive classes, we'll share tips, exercises and stories that can help you soar.

November 18 – *Waking Up to Waking Dreams*

December 9 – *Dream Master and Dream Guides*
