Graceful Living

The Sound and Light of God are the appearance of God's love in your daily life in a very real way. Sometimes you'll feel a vibration, sometimes you might hear the music of a flute. These are both manifestations of the Sound of God.

People see the Light of God inwardly as a white light, a blue light, a pink light, a green light, sometimes in the form of a lightbulb, sometimes as a fire, sometimes as a lamp, or just as a globe that glows—It can be any form, any color.

—Harold Klemp, *The Awakened Heart*, p. 9

Gaining A Higher State of Consciousness

Something I appreciate more than anything in everyday life is finding a person through whom the Light of God is shining. Some people have an attitude that says, "I like your company. We have business to do, but we might as well enjoy doing business."

People who have this attitude are open-hearted. They love their work. And through this love for their work, they are reflecting the love of God.

—Harold Klemp, *The Awakened Heart*, p. 103
