

God's Help in Every Trouble

You are invited to an online

ECK Light and Sound Service

Sunday, June 18, 2023
11:00 a.m. to 12:15 p.m.

Are you ready to directly experience the presence of God in your life? God's help is there for us in every situation, every challenge, but how to recognize it? Learn practical techniques to strengthen your ability to hear the voice of Divine Spirit in your life. God may speak to us through what we read, hear, understand, or realize. It is always a positive and uplifting force in our lives, ready to offer the helping hand we seek.

"When God speaks to you through others, the words may even come via the electronic media. For instance, the radio or TV is on. Suddenly a sentence pops out that is precisely for you. It may mean nothing to anyone else, but for you it has a significant meaning.

"This is just one of the ways God speaks to you. If you are aware enough to notice it when it happens, you will find that it is always a constructive, positive kind of statement. It builds; it's never destructive."
