## The ECK Light and Sound Services

The public is warmly invited to an ECK Light and Sound Services. Each service focuses on an aspect of Eckankar. They often feature a reading from the ECK works, singing HU, talks, music, and a group discussion of spiritual principles at work in daily life.

Join others seeking to bring more insight and divine love into their lives at this special celebration of the Light and Sound of God.

## The Sound of Soul (HU Chant)

“HU is an ancient name for God. It is also a love song to God. All that we do with the word HU is to sing it with reverence. It represents the love of God for Soul, and we are Soul. HU represents the enormous love that the Creator has for Its creation”

Harold Klempe
